RATIONALE: (Describe briefly existing problem and expected benefit of proposed change)

We have lost participation in Master Senior since we allowed all styles. At the 2014 National Indoor (which was the biggest National Indoor in quite some time) we had 29 fewer Master Seniors than 2013 while offering all the different styles. Outdoors is harder to compare with the differences in turnouts for the different locations but the numbers speak for themselves.

Currently we are providing a bowl for simply being 70+ and showing up in four different styles at the last 3 Nationals (the last Indoor and the last two Outdoors).

	13 Indoor	14 Indoor	12 Outdoor	13 Outdoor	14 Outdoor
MSFBH		1		1	
MSMBH				3	
MSMBHFS		1			2
MSMBHFSL		1		1	1
MSFFS	5	4	3	2	1
MSFFSL	1	1	1	3	
MSMBB	12	5	8		5
MSFBB					1
MSMFS	54	28	73	16	15
MSMFSL	8	4	6	2	3
MSMFSLR		2		1	3
MSMLB					1
MSMTRAD		4		1	3
TOTAL	80	51	91	30	35

We have a considerable number of styles and age groups. In the past, if you shot Master Senior and you wanted to shoot a style other than Freestyle, Limited Freestyle and Barebow, you had to shoot against much younger shooters and shoot Senior. We created a 60+ Silver Senior which has all the styles that Adult and Senior have. Master Senior archers who want to shoot specific styles can shoot Silver Senior.

Change Master Senior back to Freestyle, Limited Freestyle and Barebow only.

When NFAA hosts an IFAA Regional or World event... NFAA is the host of an IFAA event under IFAA Rules. It is not appropriate to have a policy saying that we will only recognize NFAA Rules.

We just held the National Outdoor and the IFAA World Field in Yankton, I feel that if we had run the two shoots at the same time (with a second Animal round being shot in the afternoon) we would have had a lot better turnout. It is hard to shoot for 10 days in a row much less getting that many days off from work.

The policy that the Intent is less important than the "written word" is not appropriate. Our rules and policies are written by individuals who, in most cases, are not professional wordsmiths. Rather than give the Rules Interpretation Committee a requirement of dealing with the semantics alone, the Committee should be allowed to consider the Intent of our rules. The Committee's Ruling is reconsidered by the Board of Directors, and the intent of our rules should be more important than how someone tried to write the rule down.

Currently, archers belonging to USArchery are eligible to compete at the WAF and receive "bonus" money provided they have paid NFAA Pro dues.. The Professional Division considers it unacceptable that members from other associations are awarded "Pro Bonus" money while showing little support for the NFAA.

While it is understood that NFAA members are allowed to participate at USArchery National and Regional events, it should also be known that in order to be awarded an official placing, the NFAA member must pay USArchery membership.
